◀ 02

A feeling of
Respect ▶

safety

Able to **make mistakes, ask questions,**
and **be vulnerable** in front of the rest of
the team.

1

Psychological Safety

Team members feel safe to take risks and be vulnerable in front of each other.

2

Dependability

Team members get things done on time and meet Google's high bar for excellence.

3

Structure & Clarity

Team members have clear roles, plans, and goals.

4

Meaning

Work is personally important to team members.

5

Impact

Team members think their work matters and creates change.

relatedness

A feeling of kinship, of friendliness, of community

Empathy is a learnable skill!

partnership

**Expanding your community beyond your
nearest neighbors**

There's more to life than code!

◀ 03

A sense of
Purpose ▶

Why does the company exist?

Why does the project exist?

Why does this team exist?

why

**What is the point of the work I'm doing
right now?**

why this?

How do we decide where we're going?
How do I become part of that process?

what next?
