I love Linux.
For my demo, I hacked into an Android phone by using msfvenom to create a backdoor and made it look like a real game called "Spy Mouse".
I love Linux.

HACKING

A HACKER IS …

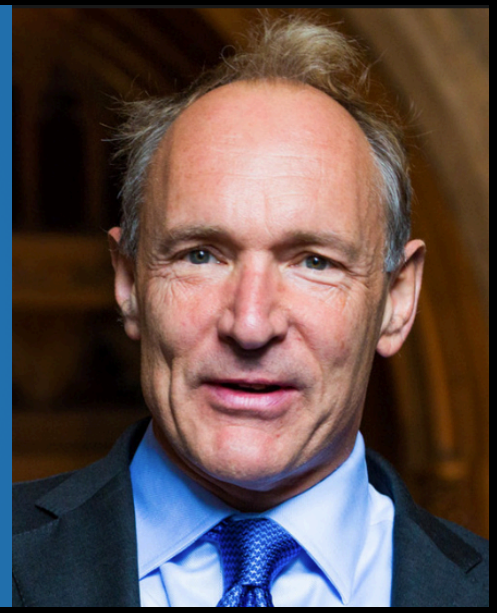
BETTER THINGS ALWAYS

"The Hacker Way is an approach to building that involves continuous improvement and iteration. Hackers believe that something can always be better, and that nothing is ever complete."

Mark Zuckerberg

CREATIVE DOER

"A hacker to me is someone creative who does wonderful things."



Sir Tim Berners Lee
