The screenshot shows the homepage of 'Thalassaemia Patients and Friends'. It features a header with the name 'Lisa Cammilleri's' and a navigation menu. The main content area includes a 'Tribute to Lisa Cammilleri (1970-2004)' section with a photo gallery and a 'Discussion Forums' section with various topics like 'The Basics of Thalassaemia' and 'What is Thalassaemia and How is it Treated?'. There are also search and login options.

The screenshot shows the 'CoolRunning' website, which is a community for runners. It features a header with the 'COOLRUNNING' logo and navigation links. The main content area displays a post titled 'Running With Thalassaemia Minor' by a user named 'CoolRunner'. The post discusses the author's experience with the condition and mentions a 'blogs' section. To the right, there is a sidebar with a calendar and a 'SUPPORT' section for 'KARL NERENBERG'.

Architecture

Relevant data collection via Scrapy

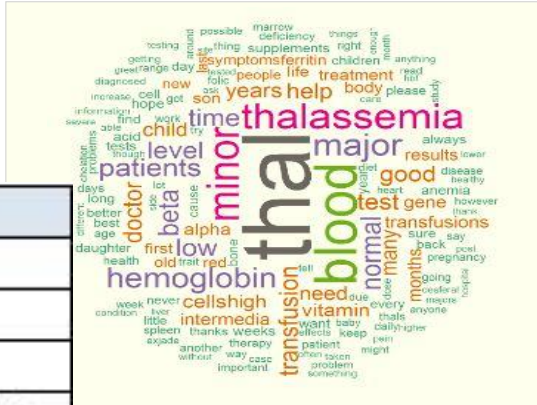

The screenshot shows a web browser displaying a forum page titled "Thalassemia Patients and Friends". The page features a header with the site name and a navigation menu. A main section is dedicated to a tribute for "Lisa Cammilleri (1970-2004)", including her name in a decorative font, a photo gallery, and a message: "We love you, Lisa. May you Rest in Peace, knowing that your legacy lives on, right here, and through all of us. You're forever in our hearts." Below the tribute, there is a section titled "An Angel's Corner" with a post count of 282 and 17 replies. The browser's developer tools are open, showing the HTML structure of the tribute post, which is contained within a table with a white background and a border. The HTML code includes a table with a width of 100%, a border of 0, and a cellpadding of 5. The table contains a row with a colspan of 4 and a height of 18, followed by a row with a width of 68% and a background color of white. The HTML code also includes a link to the tribute post:
